

COVID GUIDELINES FOR FLINT HILLS BOOKS

1. Please don't enter the bookstore if you are ill or have had contact with someone who has tested positive for COVID-19.
2. Only 5 customers at a time may browse until the pandemic is mitigated.
3. If the store closes due to the pandemic, contact jennifer@flinthillsbooks.com to schedule a private shopping session.
4. All customers must wear a mask while in the store. Masks must cover the nose and mouth.
5. To keep shoppers safe, merchandise that is touched will be quarantined. Shoppers are asked to "shop with your eyes, not your hands" to the greatest extent possible.

As fellow book-lovers, we realize that you may want to pick up a book to peruse the content. If you touch a book, please bring it to the checkout counter so that we may "quarantine" the book for 4 days prior to returning the book to the shelves.

6. Store surfaces are frequently wiped down with disinfectant wipes during each day.

FLINT HILLS BOOKS wants you to be healthy and safe. Please be considerate of fellow shoppers: wear your masks, don't enter the bookstore if you are ill or have had contact with someone who has been infected with COVID-19, and please touch merchandise as infrequently as possible.
